TRAUSTAP
...I am a warrior from the country of Isaac
A few days ago, Grandbell's troops came in order to supress the barbarians of Isaac...
But once there, they assassinated my father, King Mananan, as well
EEEH !?

But...
Shannan was taken hostage by Kynbois. .
It was a hopeless battle. I managed to escape from Isaac with Prince Shannan, son of my brother, Maricle...
Naturally, total war between Isaac and Grandbell was inevitable
I come from Grandbell, the nation responsible for your father s death .. I understand if you want to kill me...
But why did you save me instead ?
But...
I see
I have no place to go now...
So .. For the time being ..
I can't turn my blade to a person like you.
You were willing to give your life for a child you met for the first time
Shannan was right You're not an evil man

Let me swear my blade to you.
Hiiiii
Take off that ridiculous outfit!
